FLYRT MAGAZINE | DEC 2020 | ISSUE 09

Editor Note

I'm really excited about 2020!

When I first started RHK Productions in 2009, I had no idea we would accomplish so much. We've had 5 magazine titles under our umbrella of publications and have released over 300 issues. We have featured over 1,000 of the world's top models, thanks to our dedicated staff and world-class photographers. We are becoming more involved with musical artists and other entertainers and we have no plans on slowing down. I would like to personally thank everyone who has supported RHK ... it hasn't always been easy, but the journey has been a wonderful experience. I hope this year is one of our best yet!

As always, my goal is to make RHK Productions the BEST. If there is anything we can improve, please let us know by contacting us at submit@rhkempire.com.

Have a wonderful 2020!

Best regards,
Alexander Deal, CEO

My sexiest feature?
My legs!

Don't be this photographer.

ME

Don't be this model.

Oh

Hey, I'm Penelope. I

totally NOT my pimp.

I've been modeling for about 7 years and love working with new people and sharing ideas that end up turning into beautiful images and amazing memories. I love outdoor activities like horseback riding and water skiing.

My eyes and ass...

Time to do a weekly
Google search of
myself!

OH DEAR GOD

Nooooo...

...oooo....

Observe how the model's soul exits her body through her silent
scream in search of a better world. A curious natural
phenomenon.

Sexiest Feature: My sexiest feature is probably my boobs. I get compliments on my butt, but I think my boobs are the best to show off.

I am a girl who grew up in small-town, southern Maine. I love music and singing is one of the two great passions in my life. I have been singing since I was in elementary school. My new passion is modeling which I just started this Summer, but have fallen in love with. My hope is to develop both passions to the fullest in the coming years.

Amateur Models

I want to do something pretty,
but edgy, but sexy, but not
skanky.

I don't know you,
so I brought
Becky and Stacy
to make sure
you're not a

Is this
going on

internet?

Your studio
doesn't look very
nice.

Can I get my 500
proofs
tomorrow?

Ew, I look fat.

Traveling Models

Hello, I am

We have fifty

I exit ketosis
and can no
longer use my
abs as cheese

Don't forget to turn
on fill light for left
cheek and let's shoot
and publish.

I am a 43 year old mother and grandmother! I have been modeling for about 15 years! I have had photos published in over 40 magazines, 3 calendars two books and one book cover! I LOVE to travel and now that my children are grown, I am definitely more open to travel for shoots. I work a lot. Besides running the office of a concrete company, I also own a photo studio (Lakeside Studio) which keeps me pretty busy. Modeling, making costumes, CREATING is my way of escaping that "busy"!

My sexiest feature? My eyes!
